## *Adopt a Grapevine Program*

Do you enjoy the vineyard experience but don't want to take the time or have the expense of owning your own vineyard? Well now you can adopt your own grapevine for 1 year, 3 years or even a lifetime.

### **How does it work?**

First you walk through the vineyard to find a vine looking for a parent. Once you find the perfect vine write down the Vine type, the row number it is located on and the vine number within that row. Each row is marked at the beginning and end of the row with the vine type and row number. Count down from the start of the row to get you vine number. Take the location of your vine into the tasting room and we will record you as a new adoptive parent of a Shadow Springs vine.

### **What you will receive:**

Each parent will receive an adoption certificate in the mail showing them as the parent, the date of adoption, length of adoption, the type of vine and the location of that vine. You will also receive a photo of your vine via email close to harvest and a 10% discount on all wine made from the varietal you adopted. This discount will be in place as long as you are the parent of the vine.

### **Cost:**

*1 year adoption = \$ 25.00*

*3 year adoption = \$60.00*

*Lifetime = Wedding or Wedding reception held at Shadow Springs Vineyard.*

*This also makes a great gift.*
